Who Is Triton?

Triton Stone Group is one of the largest importers and full-service providers of natural stone, quartz, sinks, tools, and tile in the country. Established in New Orleans by the Jensen Family in 2005 in response to supporting the rebuilding of their hometown after Hurricane Katrina, Triton's footprint has grown to include 32 locations across 17 states consisting of Slab and Tile Galleries, Fabricator Supply Centers and Regional Distribution Centers with over 400 team members.

From its inception, the family-owned, women-run company has been committed to providing the highest level of customer service and the best quality products at the most competitive prices in the market, a contributing factor to the company's continued growth. Our goal is to provide an exceptional experience and true partnership for all our customers whether a homeowner, A&D professional, builder or fabricator.

We look forward to providing the kind of service that exemplifies our values and supports the vision of our customers to create beautiful spaces!
