

BRING LUX TO YOUR SPACE

Our patterns are printed with our patented 5D nanotechnology that penetrates the surface up to 1 mm, delivering authenticity of color and an ultra-high visual depth. Our surfaces are a perfect representation of natural stone. This technology results in a unique surface with depth and clarity, high definition in every pattern, and amazing translucency. A new surface with no visible grain results in better light reflection and brightness than any other stone in the market.

ECO FRIENDLY

Under 20% Crystalline Silica & Environmentally friendly with 70% recycled glass. Reusing almost 100% of the water utilized in the production process.

Design & Fabrication

Our surfaces are designed to look realistic and high-end, while also being easy to fabricate and install, resulting in significant cost savings.

Slab Specifications

SIZE: 126" X 63"

THICKNESS: 2 cm

FINISH: POLISHED

BOOKMATCHED: YES (except for Calacatta Viola Lux Ultra material)

Care and Maintenance

Revolux is easy to care for and low-maintenance. To clean your Revolux surface, simply wipe with a soft cloth and a pH-neutral household liquid detergent.

Warranty Information

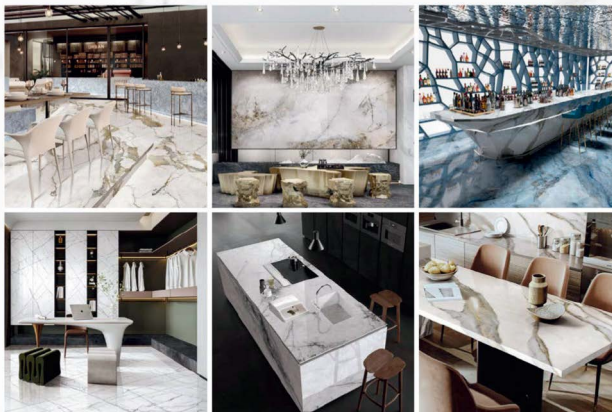

Revolux surfaces come with a **25-year warranty**, which guarantees their durability and long-lasting quality. Additionally, our NEOS Tech provides a **Lifetime Anti-Stain Warranty**, ensuring that you can enjoy your surfaces for years to come without worrying about stains or spills.
